

New Source Review newspaper advertisements for construction permit applications, May 29, 2008. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: May 27, May 28, or May 29, 2008. Public notices are generally published every two weeks. The previous publication of public notices was May 15, 2008.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Peebles Fayette County Funeral Home with a mailing address of P.O. Box 250, Somerville, TN 38068. They seek to obtain an air contaminant permit (Division identification number: 24-0100-02/61961) for construction of a Natural Gas Incinerator located on 18020 Highway 64, Somerville, TN 38068. This proposed operation would consist of a cremator and associated equipment used to incinerate animal remains. Natural gas would be used for fuel. An afterburner would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. E. King is the assigned Division person.

For the Fayette County *Fayette Falcon* -- published once on or before Thursday, May 29, 2008.

---

The applicant is The University of Tennessee Space Institute with a mailing address of 411 B. H. Goethert Parkway Tullahoma, TN 37388. They seek to obtain an air contaminant permit (Division identification number: 26-0068-15/61817) for modification of a Diesel engine powered electric generator located at the same address. This existing operation consists of a Diesel engine powered, 200KW electric generator. The requested modification is to revise actual emissions permit limits listed in the existing permit conditions. Because of the amount and type of emissions, the use of air pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Ms. Sarosh Kaiser is the assigned Division person.

For the Franklin County *Herald-Chronicle* -- published once on or before Thursday, May 29, 2008.

---

The applicant is Table Techniques II, Inc. with a mailing address of 501 Industrial Park Road, Piney Flats, TN 37686. They seek to obtain an air contaminant permit (Division identification number: 82-0424-01/61911) for construction of a Surface Coating Operation located at the same address. This proposed operation would consist of equipment used to coat polyester table tops. Because of the amount and type of emissions, the use of control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Martin is the assigned Division person.

For the Sullivan County *Bristol Herald Courier* -- published once on or before Thursday, May 29, 2008.

---

The applicant is Johnson City Medical Center with a mailing address of 400 N. State of Franklin Road, Johnson City, TN 37604. They seek to obtain an air contaminant permit (Division identification number: 90-0216-03/61772) for addition of two emergency generators at the above address. This addition would increase the emissions and impose new requirements. The use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. S. Shajikumar is the assigned Division person.

For the Washington County *Johnson City Press* -- published once on or before May 29, 2008.
